Dear Candidate:

This guidebook has been prepared to assist candidates for School and Special District Offices in preparing for the upcoming election.

Staff has made every attempt to be as informative as possible in compiling this information, but law prohibits employees from answering questions of a legal nature. Candidates and others using this guidebook must bear full responsibility to make their own determinations as to all legal standards and duties. To that end, it is strongly recommended that candidates obtain their own legal counsel.

Additional election related material such as past election turnout and statistics may be found on the website <http://buttevotes.net>. A list of candidates will be posted daily so you may see who has filed to run in the various offices to be filled.

The Butte County Elections Office is dedicated to administering fair and accurate elections and helping all qualified candidates get their names placed on the ballot.

Our mission is to provide efficient service to the public that exemplifies the highest standards of courtesy, cost effectiveness, and ethical performance while maintaining and preserving the public's records in a secure and easily accessible environment and promoting confidence in the administration of fair and impartial elections.
