

# PLACEMENT OF NAMES ON THE BALLOT

Elections Code §13109 specifies the order of precedence of offices on the ballot. The order in which candidates' names shall be placed on the ballot is specified in Elections Code §13111 and 13112.

## **RULES FOR PRINTING CANDIDATES ON BALLOT.**

EC §13111. Candidates for each office shall be printed on the ballot in accordance with the following rules:

### **PRESIDENTIAL CANDIDATES - PRIMARY**

(a) The names of presidential candidates to whom candidates for delegate to the national convention are pledged, and the names of chairpersons of groups of candidates for delegate expressing no preference, shall be arranged on the primary election ballot by the Secretary of State by the names of the candidates in accordance with the randomized alphabet as provided for in Section 13112 in the case of the ballots for the First Assembly District. Thereafter, for each succeeding Assembly district, the name appearing first in the last preceding Assembly district shall be placed last, the order of the other names remaining unchanged.

### **PRESIDENTIAL CANDIDATES - GENERAL**

(b) The names of the pairs of candidates for President and Vice President shall be arranged on the general election ballot by the Secretary of State by the names of the candidates for President in accordance with the randomized alphabet as provided for in Section 13112 in the case of the ballots for the First Assembly District. Thereafter, for each succeeding Assembly district, the pair appearing first in the last preceding Assembly district shall be placed last, the order of the other pairs remaining unchanged.

### **STATEWIDE OFFICE CANDIDATES**

(c) In the case of all other offices, the candidates for which are to be voted on throughout the state, the Secretary of State shall arrange the names of the candidates for the office in accordance with the randomized alphabet as provided for in Section 13112 for the First Assembly District. Thereafter, for each succeeding Assembly district, the name appearing first in the last preceding Assembly district shall be placed last, the order of the other names remaining unchanged.

### **REPRESENTATIVES IN CONGRESS AND STATE BOARD OF EQUALIZATION CANDIDATES**

(d) If the office is that of Representative in Congress or member of the State Board of Equalization, the Secretary of State shall arrange the names of candidates for the office in accordance with the randomized alphabet as provided for in Section 13112 for that Assembly district that has the lowest number of all the Assembly districts in which candidates are to be voted on. Thereafter, for each succeeding Assembly district in which the candidates are to be voted on, the names appearing first in the last preceding Assembly district shall be placed last, the order of the other names remaining unchanged.

### **COUNTY SUPERVISOR, CENTRAL COMMITTEES, MUNICIPAL, SCHOOL & SPECIAL DISTRICT CANDIDATES**

(f) If the office is to be voted upon wholly within, but not throughout, one county, as in the case of municipal, district, county supervisor, and county central committee offices, the official responsible for conducting the election shall determine the order of names in accordance with the randomized alphabet as provided for in Section 13112.

### **COUNTYWIDE OFFICE CANDIDATES (ROTATES BY SUPERVISORIAL DISTRICT)**

(g) If the office is to be voted on throughout a single county, and there are not more than four Assembly districts wholly or partly in the county, the county elections official shall determine the order of names in accordance with the randomized alphabet as provided for in Section 13112 for the first supervisorial district. Thereafter, for each succeeding supervisorial district, the name appearing first for each office in the last preceding supervisorial district shall be placed last, the order of the other names remaining unchanged.

### **STATE SENATE AND STATE ASSEMBLY CANDIDATES (MULTIPLE COUNTIES)**

(i) Except as provided in subdivision (d) of Section 13112, if the office is that of State Senator or Member of the Assembly, and the district includes more than one county, the county elections official in each county shall conduct a drawing of the letters of the alphabet, pursuant to the same procedures specified in Section 13112. The results of the drawing shall be known as a county randomized ballot and shall be used only to arrange the names of the candidates when the district includes more than one county.

### **SUPREME COURT AND ASSOCIATE JUSTICE CANDIDATES**

(j) If the office is that of Justice of the California Supreme Court or a court of appeal, the appropriate elections officials shall arrange the names of the candidates for the office in accordance with the randomized alphabet as provided for in Section 13112. However, the names of the judicial candidates shall not be rotated among the applicable districts.

## **RANDOM ALPHABET DRAWING**

### **DRAWING OF RANDOMIZED ALPHABET.**

EC §13112. The Secretary of State shall conduct a drawing of the letters of the alphabet, the result of which shall be known as a randomized alphabet. The procedure shall be as follows:

(a) Each letter of the alphabet shall be written on a separate slip of paper, each of which shall be folded and inserted into a capsule. Each capsule shall be opaque and of uniform weight, color, size, shape, and texture. The capsules shall be placed in a container, which shall be shaken vigorously in order to mix the capsules thoroughly. The container then shall be opened and the capsules removed at random one at a time. As each is removed, it shall be opened and the letter on the slip of paper read aloud and written down. The resulting random order of letters constitutes the randomized alphabet, which is to be used in the same manner as the conventional alphabet in determining the order of all candidates in all elections. For example, if two candidates with the surnames Campbell and Carlson are running for the same office, their order on the ballot will depend on the order in which the letters M and R were drawn in the randomized alphabet drawing.

(b) (1) There shall be five drawings, three in each even-numbered year and two in each odd-numbered year. Each drawing shall be held at 11 a.m. on the date specified in this subdivision. The results of each drawing shall be mailed immediately to each county elections official responsible for conducting an election to which the drawing is applicable, who shall use it in determining the order on the ballot of the names of the candidates for office.

(A) The first drawing under this subdivision shall take place on the 82nd day before the April general law city elections, and shall apply to those elections and any other elections held at the same time.

(B) The second drawing under this subdivision shall take place on the 82nd day before the direct primary of an even-numbered year, and shall apply to all candidates on the ballot in that election.

(C) (i) The third drawing under this subdivision shall take place on the 82nd day before the November general election of an even-numbered year, and shall apply to all candidates on the ballot in the November general election.

(ii) In the case of the primary election and the November general election, the Secretary of State shall certify and transmit to each county elections official the order in which the names of federal and state candidates, with the exception of candidates for State Senate and Assembly, shall appear on the ballot. The elections official shall determine the order on the ballot of all other candidates using the appropriate randomized alphabet for that purpose.

(D) The fourth drawing under this subdivision shall take place on the 82nd day before the first Tuesday after the first Monday in June of each odd-numbered year, and shall apply to all candidates on the ballot in the elections held on that date.

(E) The fifth drawing under this subdivision shall take place on the 82nd day before the first Tuesday after the first Monday in November of the odd-numbered year, and shall apply to all candidates on the ballot in the elections held on that date.

(2) In the event there is to be an election of candidates to a special district, school district, charter city, or other local government body at the same time as one of the five major election dates specified in subparagraphs (A) to (E), inclusive, and the last possible day to file nomination papers for the local election would occur after the date of the drawing for the major election date, the procedure set forth in Section 13113 shall apply.

(c) Each randomized alphabet drawing shall be open to the public. At least 10 days prior to a drawing, the Secretary of State shall notify the news media and other interested parties of the date, time, and place of the drawing. The president of each statewide association of local officials with responsibilities for conducting elections shall be invited by the Secretary of State to attend each drawing or send a representative. The state chairman of each qualified political party shall be invited to attend or send a representative in the case of drawings held to determine the order of candidates on the primary election ballot, the November general election ballot, or a special election ballot as provided for in subdivision (d).

(d) In the case of any special election for State Assembly, State Senate, or Representative in Congress, on the first weekday after the close of filing of nomination papers for the office, the Secretary of State shall conduct a public drawing to produce a randomized alphabet in the same manner as provided for in subdivisions (a) and (c). The resulting randomized alphabet shall be used for determining the order on the ballot of the candidates in both the primary election for the special election and in the special election.
